FLORIDA
NORTH

2009 annual
chapter weekend
september 25th – 27th 2009

The American Society of Interior Designer's Florida North Chapter Weekend is a long-standing tradition for members of the central and northern Florida design communities. This weekend of events will involve CEUs, social events, networking, and much more for all those who attend. As a professional group, we understand the importance of our relationships and encourage you to join us for this occasion. This year's event, will take place at the beautiful Loews Portofino Bay Hotel at Universal Orlando.[®]

The 2009 Annual Florida North ASID Chapter Weekend, "Elements of Design" will include Chapter Board activities, Friday evening's cocktail reception and annual meeting, CEU's throughout the weekend, keynote speakers, and Saturday evening's Trade Expo and coinciding cocktail reception, followed by the Annual Chapter Awards Dinner.

If you choose to make it a mini-vacation, our special Chapter Weekend rate of \$135/night at Loews Portofino Bay Hotel has been extended from 9/21 through 9/29.

Pamper yourself, with a visit to the onsite spa, a dip in one of three onsite pools, or taste Italy in one of eight restaurants or lounges. Bring the family and explore Universal Orlando Resort[®], featuring Universal Studios[®] Theme Park, Universal's Islands of Adventure[®] Theme Park, Universal CityWalk Entertainment Complex[®] or Blue Man Group. Visit www.UniversalOrlando.com for more information

We are very excited and hope you will participate!

AT UNIVERSAL ORLANDO[®]

Dates and location subject to change.
